EAST OF ENGLAND
BUSINESSWOMAN
OF THE YEAR

2008 East of England Businesswoman of the Year Awards' Dinner at the Radisson SAS Hotel, Stansted, on Thursday 5th February 2009, 7 for 7.30 pm

The Institute of Directors Suffolk Branch Committee invites you to a great evening of celebration, at which the winners of the East of England Businesswoman of the Year Awards for 2008 will be announced. This black-tie occasion, which is organised by the Branch, will commence with a Champagne reception and then a splendid three-course dinner with wine.

Our guest speaker, Perween Warsi CBE, Founder and Chief Executive of S&A Foods, began her business making ethnic finger foods from her kitchen in 1986. Among her many awards since, Perween has won the Woman Entrepreneur of the World Award and received an honorary MBA from the University of Derby and the Ashridge International Leadership Conference accolade for outstanding leadership. She was appointed to the DTI Advisory Committee on Competitiveness and awarded an MBE in 1997, followed by a CBE in 2002.

As Perween says, "My inspiration was my vision and strong belief in my products for consumers who were ready to try and experiment with real, authentic, great-tasting food. The vision to see people enjoying my food was my biggest driver. While everything else changes - goals, strategies, level of role - right at the heart of what makes your company unique is a set of values. They define what your company stands for".

Following on from our speaker, there will be an introductory video of the finalists for each of the Businesswoman of the Year Awards. The winners of each Award will be announced and our sponsors will then present the Awards and prizes. This will be a wonderful opportunity for you and your partners, guests or staff, to hear about and acknowledge the achievements of some truly remarkable businesswomen from across our region whilst enjoying an evening of fun and excitement with good food, wine and company.
